

## Senior Exit Interview Questions

1—What was your most significant learning in Movement intensive classes?

2—What was your most significant learning in Language intensive classes?

3—What was your most significant learning from extra-curricular experiences (i.e. performing, conference attendance, mini-tours, summer study) for your learning in dance?

4—What was your most significant learning from classes you took outside the department? How did it impact your learning in dance classes?

5-- What learning opportunities were missing, if any, from your dance experience at St. Olaf? What are your suggestions for how they might be included?

If there is anything that is not included in these questions---please feel free to bring it up at the interview.
