ST. OLAF COLLEGE EMERITI RETIREE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

As of and for the Years Ended December 31, 2011 and 2010

NOTE 1 - Description of the Plan

The following description of the St. Olaf College Emeriti Retiree Health Plan (the "Plan") provides only general information. Participants should refer to the St. Olaf College Emeriti Retiree Health Plan summary plan description for a more complete description of the Plan's provisions.

General

The Plan, effective January 1, 2006, provides post-retirement health benefits, covering the employees of St. Olaf College (the Plan Sponsor) and their covered dependents. The Trustees of the plan were TIAA-CREF and Fidelity Management Trust Company. The Emeriti Retirement Health Solutions company appointed TIAA-CREF as the trustee of the Plan effective upon the transfer of Plan assets to TIAA-CREF, which occurred on December 29, 2011. Prior to that date, Fidelity Management Trust Company was the trustee of the Plan. The Plan is a defined contribution health model plan that is funded through employer and employee Voluntary Employees' Beneficiary Association (VEBA) Trusts designed in part by Emeriti Retirement Health Solutions, a not-for-profit company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon enrollment in the plan, a participant may direct employer and employee contributions to any combination of available investment options.

Contributions

Certain retired participants receive contributions into their accounts based on their age at retirement, length of service, and year of retirement from the Plan Sponsor. Participants, including those no longer employed by the Plan Sponsor may make after-tax contributions into an account, provided the account maintains a positive balance. Once an eligible participant attains the age of 39, the Plan Sponsor will begin to make a contribution for each payroll period during which the participant is credited with at least one hour of service.

Participant Accounts

Participant accounts are credited with contributions, plus earnings and interest, less administrative expenses not paid by the Plan Sponsor.

Vesting and Forfeiture

Participants are immediately vested in Plan Sponsor contributions and individual after-tax contributions.

All assets in the Emeriti Retiree Health Account are forfeitable upon the last to die (or reach majority) of the participant, spouse (or dependent domestic partner), dependent children and dependent relatives. TIAA-CREF will transfer the forfeitable balance to the forfeiture account at the direction of the Plan Sponsor. The employee after-tax source is 100% non-forfeitable immediately.

NOTES TO FINANCIAL STATEMENTS
As of and for the Years Ended December 31, 2011 and 2010

NOTE 1 - Description of the Plan (continued)

Benefits

The Plan makes available certain health benefits to retired participants of the Plan. Retirees age 65 or older may elect an Emeriti Health Insurance option. Residents of Minnesota may choose a HealthPartners plan, residents outside of Minnesota may choose an AETNA plan. Both plans have the option for prescription coverage. Participants must enroll within 90 days of attaining age 65. The spouse of a retiree may also enroll in health coverage if age 65 or older. Monthly insurance premiums are incurred by the selection of a health insurance option and are deducted from the participants' VEBA account. If the participants' account is exhausted, participants may retain coverage under the Emeriti Health Insurance option by paying insurance premiums directly from a personal checking or savings account. COBRA is available for dependents of retirees who lose eligibility.

A participant is eligible for reimbursement benefits payable from the non-forfeitable balance in their VEBA account upon the date the participant ceases to be employed and attains age 55. Retirees who have a balance in their VEBA account are immediately eligible for reimbursement. Participants may submit qualified medical expenses claim forms along with the required documentation for reimbursement. In the event of the death of a participant, the dependent named on the account may submit qualified medical expenses for reimbursement until the account is exhausted.

Special Benefit Circumstances

If the participant ceases to be employed by the Plan Sponsor prior to attaining age 55 and the aggregate balance of the VEBA Account is less than \$5,000 then the participant is immediately eligible to use the VEBA accounts for qualified medical expenses.

If the participant has a terminal illness or injury expense, the participant is immediately eligible to use the VEBA account for qualified medical expenses.

If the participant and/or eligible dependents have incurred medical expenses during a single 12-month period which exceeds \$15,000, the participant is immediately eligible to use the VEBA accounts for qualified medical expenses for any amount greater than \$15,000.

Termination of Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA.

Participant Loans

There are no participant loans allowed under the Plan.

Administrative Expenses

General plan administrative expenses, such as legal fees and administrative costs, are paid for directly by the Plan Sponsor. Fees specific to the participant's investment selections and accounts are charged against that participant's account balance, where the account balance is often funded partially or fully by Plan Sponsor contributions.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value using quoted market prices.

Net depreciation in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represents the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - Information Prepared and Certified by Trustees - Unaudited

NOTES TO FINANCIAL STATEMENTS

As of and for the Years Ended December 31, 2011 and 2010

NOTE 3 - Information Prepared and Certified by Trustees - Unaudited (continued)

During the year ended December 31, 2011, the Plan's investments (including gains and losses on investments bought, sold, and held during the year) depreciated in value as follows:

	<u>2011</u>	
Net depreciation in fair value of investments - mutual funds	\$ (214,230)	
Interest and dividends	<u>148,847</u>	
Net Investment Loss Certified by Trustee	<u>\$ (65,383)</u>	

All assets are held by TIAA-CREF at December 31, 2011.

Investments, in general, are subject to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan investments are not insured by FDIC or similar loss coverage.

The following investments represent 5% or more of the Plan's net assets available for benefits as of December 31:

	<u>2011</u>	<u>2010</u>

NOTE 4 - Fair Value of Financial Instruments

As defined by a recent accounting pronouncement, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan used various valuation methods including the market, income and cost approaches. The assumptions used in the application of these valuation methods are developed from the perspective of market participants pricing the asset or liability. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Based on the observability of the inputs used in the valuation methods the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

ST. OLAF COLLEGE EMERITI RETIREE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended December 31, 2011 and 2010

NOTE 4 - Fair Value of Financial Instruments (continued)

Level 1 – Quoted market prices in active markets for identical assets or liabilities.

Level 2 – Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs that are not corroborated by market data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Plan Sponsor is responsible for the determination of fair value. The Plan Sponsor has not historically adjusted the prices obtained from the pricing services.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2011

The following assumptions were used to estimate the fair value of each class of financial instrument:

Money market funds – The money market is a Level 1 investment and as of December 31, 2011 consisted of the TIAA-CREF Money Market Fund Retirement Class. TIAA-CREF Money Market Fund holding are generally valued using market quotations or prices obtained from independent pricing services.

Mutual funds – The mutual funds are Level 1 investments and as of December 31, 2011 consisted of TIAA-CREF Lifecycle Funds. TIAA-CREF Fund is a Delaware statutory trust that was organized on April 15, 1999, and is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. The fund invests primarily in underlying index funds according to a fixed, more conservative asset allocation strategy designed for investors who are already in or entering retirement. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services.

ST. OLAF COLLEGE EMERITI RETIREE HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

As of and for the Years Ended December 31, 2011 and 2010

NOTE 5 - Parties-In-Interest

Plan investments are managed by the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment, claims, and other management services amounted to \$90,734 for the year ended December 31, 2011.

NOTE 6 - Tax Status

The Internal Revenue Service ruled in letters dated May 31, 2007 that the trusts established under the Plan qualify under Section 501(c)(9) of the Internal Revenue Code (IRC) and, therefore, the trusts are not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter. The plan administrator believes that the plan, as amended, is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the plan was qualified and the related trust was tax-exempt at the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

NOTE 7 - Subsequent Events

The Plan has evaluated subsequent events through June 8, 2012 which is the date that the financial statements were approved and available to be issued.
