# You've got someone in your corner

When it comes to your health, sometimes you need some extra support.

If you're dealing with a health condition — new or ongoing — our case managers can help. They understand you're more than your diagnosis and can assist with all the challenges that come with one. They can provide knowledgeable guidance to help you manage your condition, such as:

- Understanding a diagnosis
- Staying on track with your treatment plan
- Answering questions between doctor visits
- Identifying lifestyle behaviors that affect your health
- Creating health goals
- Identifying resources to navigate obstacles
