

A new way to save on medicine

Home delivery from Amazon Pharmacy

Amazon Pharmacy offers a home delivery service that lets you easily order and quickly get your non-specialty medicines¹ delivered at home.

And as a member of Blue Cross and Blue Shield of Minnesota, you get access to MedsYourWay™ prescription drug discount card pricing. The prescription discount card² gives you up to 80% savings³ on brand and generic medicines and is seamlessly built into the Amazon Pharmacy experience. You can get the lowest cost available while saving time and money. Using the MedsYourWay discount card is not insurance; however, using it for covered medicines⁴ will also count toward your out-of-pocket maximum.

SHOP Easy to use

Amazon Pharmacy makes it easier because it's like shopping on Amazon.com:

- Easy sign-up, which includes the option to have your account auto-populated with your prescription history
- Option for 90-day fills
- Pharmacist on call 24/7
- Ability to manage your medicine and order history

SAVE Built-in drug discount card

Some drugs may be available at lower prices with a discount card. MedsYourWay discount card pricing is built right into the Amazon Pharmacy experience.

- At checkout, you'll see the lowest cost available for your medicine. That's the price you'll pay.
- MedsYourWay discount card pricing is not insurance; however, all prescribed and covered purchases, whether paying a copay or using the discount card pricing, automatically count toward your annual out-of-pocket maximum.
